

First they came for the communists,
and I didn't speak out because I wasn't a communist.

Then they came for the socialists,
and I didn't speak out because I wasn't a socialist.

Then they came for the trade unionists,
and I didn't speak out because I wasn't a trade unionist.

**Then they came for me,
and there was no one left to speak for me.**

Ko so nacisti prišli po komuniste,
sem molčal; nisem bil komunist.

Ko so zaprli socialne demokrate,
Sem molčal; nisem bil socialni demokrat.

Ko so prišli po sindikaliste,
Sem molčal; nisem bil član sindikata.

**Ko so prišli pome,
ni bilo nikogar več ki bi spregovoril zame.**

Martin Niemöller (1976)
